TRIMEDIA

ENVIRONMENTAL & ENGINEERING

Capability Statement

● Points of Contact

Tom Anthos, President & CEO
tanthos@trimediaee.com

Greta Nylund, Director of Sales
gnylund@trimediaee.com

● Core Competencies

TriMedia is a leading environmental and engineering firm serving government agencies as well as those in the oil and gas, power generation, mining, institutional, construction, manufacturing, and healthcare markets.

We offer environmental, health and safety, industrial hygiene, GIS, and land surveying services.

Our dedicated team of certified industrial hygienists, professional engineers, certified safety professionals, certified hazardous material managers, scientists, and the most advanced technologies can assist you with any project.

We take the time to fully understand your operational needs and develop an effective work plan all while remaining flexible, communicative, and fully considerate of time and cost.

Your success is our top priority.
